

# PlayLine Game Library

AN ENHANCED GAMING PLATFORM FOR SOCIAL GAMING ENVIRONMENTS

## *Increase Revenues and Add Excitement without requiring additional floor space!*

The PlayLine System enables Casinos to introduce new multimedia games such as simulated horse and greyhound races, graphically enhanced Keno, car races and animated action games. PlayLine offers a complete turnkey solution, encompassing wagering terminals and central gaming systems, as well as cutting edge display technology that combines the exhilarating entertainment of 3D graphics with high quality sounds.
